### Polite Reminder

It has come to my attention that several KS2 children are bringing mobile phones into school. Our school policy states that phones are not allowed in school. It is a safeguarding concern that children are trying to access social media sites with phones hidden in coat pockets. We are going to do some e-safety work with the children in school but we ask parents to please ensure your child leaves their phone at home and discuss the dangers of sites where strangers can watch, befriend and message your child. Some of these sites allow bullying in the comments and strangers can track your child's location. The following websites have useful information for parents.
