School Council

If your child is on the Laithes School Council you should feel extremely proud. This week the children have worked on new menus for the kitchens and they have met with several important visitors. They were amazing ambassadors for our school, speaking with confidence. Well done children!

House Point Reward

Today children in the Green House (Ennis) went bowling as a reward for winning the house point challenge last term. They had lots of fun and the older children supported the youngest children in a really caring manner. Thank you Mrs Gunn for organising this trip.

Foundation Stage Parents

You can look at your child's learning from home by logging on to 2Simple. Please speak to your child's teacher if you need support to get started.

Head lice

Unfortunately unwanted visitors have been spotted in some children's hair. Please can all parents check for head lice regularly.

Have a great weekend
Yours in Partnership
Mrs Fletcher
