**HEAD LICE**

We have had quite a few cases of head lice over the last few weeks. Can we ask that parents check their child/children’s hair on a regular basis to help us to eradicate this problem. The ‘Pharmacies First’ scheme run by many local pharmacies may be able to help. The scheme is aimed at patients who are exempt from paying prescription charges, and as children are also exempt, it means any parent can go to their local pharmacy and get free treatments. Problems treated under the scheme include head lice.

**PUPIL ABSENCE**

If your child/children are ill or going to be absent from school it is very important that you ring the school office and give reason for the absence. It is school policy that you ring and do not message through Facebook as this may not always be picked up.

Thank you for your co-operation

Have a great weekend  
Yours in Partnership  
Miss S Barnett
